### A-Z Of Mother's Day by Jaime Faulkner.

...

A-Z Of Mother's Day is a collection of 26 fun, short, original poems.

We know that many children, especially sons, might find it hard to put into words what their mother means to them, so we've lent a helping hand by writing this little book, which focuses on many of the different qualities that the world's best mothers bring to their demanding role.

As the title suggests, there is one poem for each letter of the alphabet, with each poem focusing on a theme related to Mother's Day.

Here's a sample poem from this collection:

#### Y Is For Youthful

You always have so many things on your plate  
One thing after another, from morn 'til late  
Up at the crack of dawn, in bed at midnight  
That's too much for one person, it's just not right  
However, there's something I really don't get  
For years I've pondered - I can't fathom it yet  
Unless you've got some form of magic potion  
Looking so young and aging in slow-motion

The full list of all 26 poems is as follows:

A Is For Affectionate  
B Is For Bewitching  
C Is For Creativity  
D Is For Daffodil
