Anything Goes!: What I've Learned from Pundits, Politicians, and Presidents by Larry King.

...

As host of Larry King Live -- one of the most popular daily forums for political news and commentary -- King has used his show to ask probing questions of the pundits, spin doctors, major politicians, and the reporters who are directly involved with the passing - American scene.

In "Anything Goes!", King will take a long and in-depth look at how our America -- through the prism of the electronic and print media -- has gotten to the point where it is today. Bipartisan politics, bimbo eruptions, grandstanding in Congress, backstabbing tactics -- and more -- it's the stuff of our daily headlines, whether we like it or not.

In sum, expect Larry King at his best -- with inside political stories and anecdotes never before reported anywhere.
