

# Can We Communicate With The Dead?

## Content

**Can We Communicate With The Dead? by LESLEY CAMERON-DOUGLAS.**

...

Is it possible to communicate with the dead, our dearly departed? We, who are still a three dimensional hologram composed of carbon, and part of the collective consciousness. Can we speak or listen to our ancestors that have since made their transition to the higher, non-physical realm of infinity and eternity; where neither time nor space exists?
