

Early Christians and Animals

Content

Early Christians and Animals by Robert M. Grant.

...

Early Christians and Animals presents a lively study of the significance of animals in early Christian thought, tradition, text and art.

Robert M. Grant:

* examines the diverse and often conflicting sources, from the pagan antecedents Aristotle and Pliny, to Biblical animal references and the Church fathers

* provides fresh translations of key texts concerning animals - the Physiologus, Basils homilies and Isidores chapters.
