## **Content**

**Guide to Drone Safety: Complete How-To Book Full of Policy & Procedure Examples to Help Build a Drone Company Part 4: Safety Promotion, Risk Management, ... Program (Putting Drones To Work Series) by Russ Flahive.**

...

## **Want to Start a Drone Business, But Don't Know Where to Begin?**

**This Series is the Perfect Place to Start!**

**Written by a team of aviation experts, the PUTTING DRONES TO WORK series contains the secrets to building a successful drone business.**

---

So, you just got your 107 Remote Pilot License and now you're ready to tackle the commercial drone world, right? Think again. If you're like the thousands of other aspiring commercial drone pilots out there, you're finding out the hard way that earning your Remote Pilot certificate is just the beginning.

But what's the next step?

*The PUTTING DRONES TO WORK series gives you the answer!*

While there are countless 'how-to' books out there that will help you get an FAA Remote Pilot Certificate, few give you the 'nuts-and-bolts' processes required to run a drone company. However, to achieve true success flying drones, your company needs a written system that captures how to do the day-to-day tasks necessary to run the business.

This series provides an example of how to create a solid business foundation built on sound aviation principles. It lays out field-tested best practices currently used by successful drone service providers

today. Take a LOOK INSIDE and you'll find hundreds of policy and procedure examples written by aviation experts. By applying the recommended practices you'll find inside, you can easily develop a safe and effective drone program.

So, whether you manage a multi-drone flight operation or run your own small part-time company, this series is a 'MUST HAVE' to help you achieve the success you deserve.

---

**The 4th book focuses on the most important program of all: SAFETY. Our General Safety Manual (GSM) give insights on how to incorporate safe practices into any drone operation. As a special bonus, we've also added the front matter from our Company Forms Manual (CFM).**

**\*\*\*Buy now and you'll also receive 30% off an annual subscription to DroneLogbook\*\*\***

**For a more in-depth look at the contents of this book, click on the 'Look Inside' above and preview the book.**

**So if you're ready to put your drone to work, grab a copy and get started today!**
