## Content

### **Moving Beyond Pain by Leah Jade.**

...

We all experience pain at different points of our lives in many different forms. The ultimate goal is to learn how to prevent it, heal it and overcome the obstacles it presents. The purpose of Moving Beyond Pain is to empower you to understand how to live pain free and get the most out of life.

Advanced Myotherapy offers a revolutionary approach to Pain Management, offering education, training, workshops, classes and world class treatment. Their clients travel far and wide to get the promised results they offer.

Moving Beyond Pain is a title that reflects exactly what our clinic Advanced Myotherapy stands for and is all about. We have so far already helped literally thousands of people with their pain, to manage it naturally with not only Myotherapy and Remedial Massage but Self Care Education. We feel this has been the key. The key to not only our success but in that of our client's in overcoming debilitating pain conditions and injuries.
