

# Post-Colonial Transformation

## Content

### Post-Colonial Transformation by Bill Ashcroft.

...

In his new book, Bill Ashcroft gives us a revolutionary view of the ways in which post-colonial societies have responded to colonial control.

The most comprehensive analysis of major features of post-colonial studies ever compiled, *Post-Colonial Transformation*:

- \* demonstrates how widespread the strategy of transformation has been
  - \* investigates political and literary resistance
  - \* examines the nature of post-colonial societies' engagement with imperial language, history, allegory, and place
  - \* offers radical new perspectives in post-colonial theory in principles of habitation and horizontality.
- Post-Colonial Transformation* breaks new theoretical ground while demonstrating the relevance of a wide range of theoretical practices, and extending the exploration of topics fundamentally important to the field of post-colonial studies.
