

Psychiatry: PreTest Self-Assessment and Review (PreTest Clinical Science)

Content

Psychiatry: PreTest Self-Assessment and Review (PreTest Clinical Science) by Giulia Mancini- Mezzacappa.

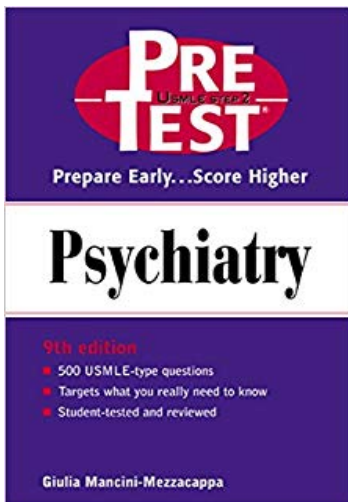

...

PreTest is the medical student's most dynamic weapon for mastering the USMLE Step 2. Great for course review and clinical rotations, too! Psychiatry: PreTest asks the right questions so you'll know the right answers. Open it and start learning what's on the test. PreTest is the closest you can get to seeing the test before you take it. *Get to know material on the actual exam *Practice with 500 multiple-choice questions, many with clinical vignettes *Build confidence, skills, and knowledge *Learn key facts *Find references with every answer There are plenty of answers out there. But only PreTest delivers USMLE type questions, in USMLE format. Open this PreTest for: *Format that stimulates the exam *500 board-type questions *Referenced answers *Best prep there is for the USMLE Step 2 STUDENT TESTED AND REVIEWED "I know that my psychiatry protion will be substantially elevated following this review." - a medical student who recently passed the USMLE PreTest is the medical student's most dynamic weapon for mastering the USMLE Step 2.
