

Rules of The Trade: Indispensable Insights for Online Profits

Content

Rules of The Trade: Indispensable Insights for Online Profits by David S. Nassar.

...

The concise, common-sense insights of a day trading pro

Some traders spend thousands of dollars attending training seminars. If you don't have the time or resources for that, pick up Rules of the Trade instead. This reliable, no-nonsense guide distills the insights of several online trading experts into one short, quick, and easy-to-read book that not only lists the rules, but explains what the rules mean, why they're important—and the high costs of overlooking them even once.

Packed with real-life examples to illustrate key points, this book— written by David S. Nassar, author of the bestseller *How to Get Started in Electronic Day Trading* -- will teach you the basic rules of survival, help you preserve capital, learn the ropes, and go on to succeed in this lucrative but volatile profession.
