

# The Most Dangerous Game: Game of all Dangerous Things

## Content

**The Most Dangerous Game: Game of all Dangerous Things by Richard Connell.**

...

"The Most Dangerous Game" features as its main character a big-game hunter from New York, who becomes shipwrecked on an isolated island in the Caribbean, and is hunted by a Russian aristocrat.

The story is an inversion of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s.
