

The Wolf Moon: Riley's Return

Summary

The Wolf Moon: Riley's Return by Heather Mar-Gerrison.

The second book in the Moon series.

Adam is in love again - but this time it might actually be for real...although convincing the girl of his dreams that he means it this time is proving far harder than he ever thought possible...

and Franklin discovers that he has more gifts than he could ever have imagined.

Releasing Oscar's natural father from the gates of hell seems to be impossible, but then he meets his natural father and suddenly everything becomes clear...
