## Content

### **Violent Prayers To Disgrace Stubborn Problems by Dr. D. K. Olukoya.**

...

This is the book you need when you have had enough. This is the book you need for troubled times. This is the book you need when you are knocked down and crisis seems to be mounting up. This is the book you need when trials surround you, and when you think all is lost.

The weapon of Prayer and Fasting has been known to do wonders when other methods have failed. In addition, some breakthroughs are impossible unless there is intensified, regular, consistent, concerted and constant bombardment of prayers.

These prayer points have been specifically vomited by the Holy Spirit to bring salvation, deliverance and healing of the spirit, soul and body to God's people.

Pray them with determination, pray them with aggression, pray them with violence in your spirit, pray them with violent faith, pray them with great expectation and your life will never remain the same. The God who answereth by fire will surely answer you in Jesus name.
