

Webster Seeks A Job From Santa

Content

Webster Seeks A Job From Santa by Beatrix S. Tambunan.

...

All fishing jobs in the South Pole were gone since all of them went to fast Penguins.

Webster is a small penguin who decides to leave the South Pole to look for a toymaking job from Santa. Family, friends, and a stranger said he was wasting his time and Santa only used elves.

Was Webster wasting his time? Was everyone right? Did Webster get hired?
