Content

Zoo Animals -- All About This & That Picture Book Series for Children (Volume 1) ("All About This & That Picture Book Series for Children) by Adrian Robbe.

...

Overview: "Zoo Animals" is Volume 1 of the "All About This & That" Picture Book Series for Children by Adrian Robbe. This book has 32 pages of large, beautiful pictures of animals that children see when they visit the zoo. All of the pictures are in natural color and intended to attract as well as hold the attention and interest of young children. Designed primarily for boys and girls ages 6 to 12 years old, each picture is accompanied by fun and amazing facts about various zoo animals. This book also includes a Special Bonus Section containing 6 pages of beautiful pictures with interesting Questions & Answers about popular animals children typically see when they visit the zoo. The Bonus Section also has a World Map with continents identified for kids to reference as they read the picture book so they better understand where the various zoo animals live in their natural habitats on earth.

Facts Presented: The facts presented in this book contain basic, fundamental, elementary information about zoo animals that are widely known. The information is common knowledge that is generally known to an educated reader.

Learning Benefits for Children: "Zoo Animals: All About This & That" Picture Book Series for Children (Volume 1)" provides young children with an unforgettable learning adventure into the amazing wonders of the animal kingdom. This unique, educational, beautifully illustrated picture book is available for purchase through the Amazon Kindle Store. The brief, factual summaries on the various animals contained in this book can serve as a simple, fun-to-research source of reference for children. Elementary school age boys and girls in 1st through 6th grades can also use the knowledge they gain from the "All About This & That" Picture Book Series for Children to help them when they are required to write book reports, science reports, or short essays on one or more zoo animals. Moreover, the increased awareness young children receive about zoo animals in this easy-to-read, fun-filled picture book will help them gain a greater appreciation about the marvelous world we live in.

Book Outline: The captivating pictures and marvelous facts outlined in this book are about the following zoo animals.

1. Lion
2. Giraffe
3. Rhinoceros
4. Zebra
5. Camel
6. African Elephant

7. Tiger
8. Humboldt Penguin
9. Gray Wolf
10. Bald Eagle
11. American Alligator
12. Hippopotamus
13. Ostrich
